

The **City of Munich (Landeshauptstadt München)**
including the **Vocational School of Manufacturing Technologies (Städtische Berufsschule für Fertigungstechnik - BSFT)**
and the **Vocational School of Metal – Design – Mechatronics (Städtische Berufsschule für Metall – Design – Mechatronik - BSMDM)**
sets a ban of sending and hosting students within European/ Erasmus+ Projects.

Starting from Monday 16.03.2020, a ban to travel takes place in our vocational school center in Munich/ Germany and visits from foreign countries to BSFT/ BSMDM due to the COVID-19 virus. This ban is valid till the 31.05.2020.

The educational institutions in Bavaria will be closed till the Easter break to secure the working and studying environment.

From now on till 31.05.2020 all international events will be cancelled. In the current situation we apologize, that we can not welcome exchange students within our Erasmus+ cooperation.
